Partnership Announcement between Jagran School of Public Policy & International Affairs and MASH Project Foundation

An MOU was signed between Jagran School of Public Policy & International Affairs at Jagran Lakecity University (JSPPIA) and MASH Project Foundation (MASH) to design programs that will help the students of the University in pursuing enriching careers in Social Impact, Development, and Public Policy.

The year long partnership came into effect on 1st, December 2020. At the virtual inaugural meeting, Mr. Abhishek Mohan Gupta, Pro-Chancellor, Jagran Lakecity University, and Dr. Deevanshu Shrivastava, Head of Public Policy School from JSPPIA were present. Mr. Aashish Beergi, Co-Founder & CEO, MASH Project Foundation and Ms. Siri Avalur, Senior Manager, MASH Project Foundation were also present.

In this unique partnership, both the organizations will work towards the vision of building awareness, enhancing key skill sets and creating experiential learning opportunities for students of Public Policy in central India. This will, thereby create an ecosystem that enriches careers in Social Impact, Policy and Development.

MASH Project Foundation, which is a leading organisation that helps build an ecosystem for change makers, will facilitate the program by conducting Career Guidance Sessions, Policy Boot Camp, and an Annual Policy Summit to ensure that the students are equipped with the required knowledge, skills and relevant experience which will enable them to have successful careers in the sector.

On this occasion, Mr. Abhishek Mohan Gupta of JLU said, *“This MoU between MASH and Jagran Lakecity University Bhopal, in the field of Public Policy is a unique and exciting amalgamation, which will give more traction and value to the first and only dedicated school of Public Policy and International Affairs in Central India. I am confident that we will jointly strive towards skilling the young policymakers of the future. I am delighted to lay the foundation of a fruitful partnership for the expansion of our policy-based education and state of the art amenities for the same.”*

Aashish Beergi from MASH mentioned, *“We are excited for a long-term partnership with JSPPIA under the young & dynamic leadership of Mr. Abhishek Gupta, and looking to establish a world-class education hub for public policy innovation in the centre of India. We look to*

engage with leaders from diverse backgrounds and design deep-dive immersive and experiential educational interventions to provide a high-quality learning experience to students, and leading towards creating a bigger and better impact in the ecosystem.”
